She. Was. Dying. Of. Laughter. We're both cat lovers and she had a good chuckle while reading the whole book full of postcards :) 0 of 0 people found the following review helpful. Fab! By Chapstick Junkie Loved it! The book shipped out to me fast, and it is in great condition! Felis catus: a more inscrutable pet simply does not exist. How can we truly understand our kitties—their loves, their needs, their desire to poop on the things we hold most dear? ABCDE·F·YOU provides a full descriptive alphabet elucidating some of Fluffy's finest features, from A (“A is for ass. Your cat will lick his own vigorously and loudly at all times”) to Z (“Z is for Zen, which cat ownership provides 4% of the time”). These 26 feline facts—packaged as a 64-page postcard collection—are a must for all committed cat lovers hoping to finally make sense of their furry friend's foibles.
