Tony Kola : Abstract Patterns N' Stuff: Color and Compose before purchasing it in order to gage whether or not it would be worth my time, and all praised Abstract Patterns N' Stuff: Color and Compose:

Abstract Patterns N' Stuff will satisfy and challenge the novice and the fine point colorist. Anyone who enjoys geometric, generative and whimsical line art can find it here, patterned for your coloring pleasure. Thirty separate compositions you can color and define according to your wishes that challenge,engage and let your mind wander, or achieve coloring nirvana!

About the AuthorTony Kola is an illustrator and designer, whose passion for traditional and digital art has covered many forms and mediums within computer art and design. His work as a visual artist and designer has been

contributing to the fine art, advertising entertainment, and the marketing realms in all channels and mediums for many years.
