**Mia Flanders : Abstract Sea: 30 Designs of our imagination of Sea** before purchasing it in order to gage whether or not it would be worth my time, and all praised Abstract Sea: 30 Designs of our imagination of Sea:

3 of 3 people found the following review helpful. Love the designs but some have too much blackBy Florida KayakerThis collection of Sea designs features a really wide assortment of designs with varied levels of detail. Yes, the designs are stock images but many were unfamiliar to me when I purchased this book. The only complaint I have is the presence of too much black on some of the designs. I don't understand the need to included designs that have a lot of black when the goal is to color them.The print link is located at the end of the book and works as expected.0 of 0 people found the following review helpful. Five StarsBy nyteraegreat color book0 of 0 people found the following review helpful. Five StarsBy Celia Thorsson BurkeSo intricate!

Abstract Sea 30 Designs of our imagination of Sea Make this Paintings go alive. Relax and hear sound of the water in

these pages, feel like you are in your Drawing Book. Best way to replace Mediation, and make your mind little bit lighter. You will find downloadable PDF version inside, without any mail or anything else that you will need to fill, so just heat download and enjoy in printed Adult Coloring Book. Thank you for your time!
