Another preview with the same 12 books to download or printBy Florida KayakerAbstract Wildlife Designs has 14 somewhat simple designs that you cannot color. Because this is not a coloring book, but a preview of the real book, there is no print link. You can however, go to the download link and print the pages of any of the other 12 books that show up in the print link. These are the same 12 books that are available in every Speedy Publishing Kindle coloring book that I have seen. They are also the same 12 books in the print link of every Jupiter Kids book that I have seen.If you already own one book from either of these companies, anything else will simply be a duplicate. Anything that you can print or download at least.0 of 0 people found the following review helpful. Art Books = Ads...SHOW Us Designs BEFORE We Buy #462,,By classicsGGmaArt

Books = Ads for the print versions of their coloring books. No downloads and nothing to print for coloring. What use are they to Kindle owners...None. Samples the same as for some of their other coloring books...Heavy black outlined children's animal designs inside which doodles have been drawn. Not impressed and don't really recommend. Wonder exactly which designs are in This coloring book??When we buy coloring books in stores we can look inside to see if we like the designs and check for any designs we already have. IMPORTANT - EBOOK edition of this book is an ART BOOK and not used for coloring on the device. The eBook is a preview providing useful content on the benefits of coloring for both children and adults, also showing the brilliant designs available in the physical copy of the book. A BONUS link in the book lets you download books with high quality coloring book PDF pages with dozens of illustrations that readers can PRINT. The download is optional, it is not the main function or purpose of this ebook - PRINT REPLICA. Whether it's abstract or figurative art, you will find coloring a truly relaxing experience. Coloring keeps you focused on a task so you temporarily forget about anger or any other emotion. You don't have to make major decisions when you're coloring so your mind begins to relax. It is recommended that you keep a copy of this coloring book in your 'anxiety attack'€ emergency stash. Grab a copy now!
