Maeve Binchy : Aches Pains before purchasing it in order to gage whether or not it would be worth my time, and all praised Aches Pains:

0 of 0 people found the following review helpful. Loved it! As someone dealing with pain and hospitalisation ...By AMBrummerLoved it! As someone dealing with pain and hospitalisation myself I could emphathise with everything as she described it. Her down to earth approach to all things medical is priceless.Would have enjoyed more of the same.0 of 0 people found the following review helpful. Maeve Binchy Always Entertains and this little book is no

exception!By Sally C. ShopperA little outdated in comparison to care in today's hospital, but still an enjoyable read touching on the lighter side of dealing with aging, aches and pains, and human foibles. Makes a good get well gift for a loyal Binchy fan...or a future Binchy fan.0 of 0 people found the following review helpful. I am getting ready for a hip replacement and this ...By CustomerI am getting ready for a hip replacement and this book was an informative and sometimes hilarious outline of what to do and expect.

It's the perfect gift: Laughter, the best medicine! From beloved author Maeve Binchy.Maeve Binchy has captured the hearts of millions with her spectacular national bestsellers, from Circle of Friends to Tara Road. Now she applies her signature warmth, wit, and understanding to something new--a wickedly funny book for anyone who's checked into the hospital, headed for an operation, or convalesced at home.Drawing on her own experiences as a patient, Maeve Binchy, together with artist Wendy Shea, has created this wry, deliciously illustrated book of wit and wisdom, a hilarious insider's guide to hospital stays and at-home convalescence. Filled with Maeve's candid real-life anecdotes and laugh-out-loud advice--plus Wendy Shea's irreverent drawings--Aches Pains is just what the doctor ordered! Discover:Ten little jobs you can give to anyone who asks: "How can I help?"Outrageous ways to take advantage of your weakened state.Things to say to annoy the patient in the next bed.Dignified ways to cope with all the indignities of baring your body to strangers.Great gifts to suggest when someone asks: "What can I bring you?"Tips on dealing with visitors...and hospital food. Plus recipes, poems, home remedies, and more!The author's royalties for this book will be donated to the Arthritis Foundation.

From Library JournalA humorous account of surviving hospitalization, written after Binchy's hip replacement surgery. Copyright 2000 Reed Business Information, Inc. 'Feeling under the weather? If so, Aches and Pains by Maeve Binchy is a must.' DISABILITY TIMESFrom the Inside FlapIt's the perfect gift: Laughter, the best medicine!
