Charles Carney : ACME Catalog: Quality is Our #1 Dream before purchasing it in order to gage whether or not it would be worth my time, and all praised ACME Catalog: Quality is Our #1 Dream:

2 of 2 people found the following review helpful. A good one, grantedBy Chester J BeebeIt's a catalog of the items that Wiley Coyote ordered and used, plus some other miscellaneous items for comic effect. I ordered it for a friend who is a Wiley E. Coyote fan. It was a hit and tons of laughs. However, it's a catalog for Cartoon equipment. A one trick pony, and that's what it is. A good one, granted, but don't try to order things from it. If you tried, then you must be Wiley E. Coyote.2 of 2 people found the following review helpful. At Last!By R. VincentFor those of us that are categorized as "Boomers", there were two things we remember well from childhood...Catalog Shopping, and Looney

Tunes. In those pre-internet days, catalogs in the mail were something to look forward to. From Montgomery Ward to the HUGE Sears Christmas catalog, we'd spend hours flipping through the pages and making our wish lists. With that background, what fan of Looney Tunes wouldn't want to have their very own copy of the famous ACME catalog, where Wile E. Coyote (Super Genius) ordered all those amazing devices like the Bat Man Suit, Rocket Sneakers, and so many more? I've long said that someone should produce an actual ACME catalog...and now, they have! 1 of 1 people found the following review helpful. You have to have a weird sense of humor to ...By AMoore You have to have a weird sense of humor to get this book. We were laughing and scratching our heads at the same time.

Iron birdseed, anvils, fake holes, and more for years The ACME Company has been the sole purveyor of the fine products used by Looney Tunes characters. Chronicle Books is proud to present an exclusive catalog featuring ACME's must-have, best-selling line of items, each guaranteed to promote a happy* life provided that they are used properly.** Including ACME classics and entirely new and untested items, the ACME Catalog showcases 100 products untarnished by government regulations. There's something here for everyone. An extruder that doubles as a pasta maker for Grandma. A roof-mounted catapult for Dad. And what about a little jet-powered pogo stick for yourself? Each item is matched with a thorough product description, the price, and the shipping cost. As always, the ACME Company brings corporate identity sans responsibility to everything sold with its label. Please note that the ACME Company has no retail outlets or web site. In other words, this catalog is the only way for consumers to access this highly sought-after ACME line. *"Happy" being relative to the level of one's acceptance of fate. **Liability is limited to the competence of the user. LOONEY TUNES and all related characters and elements are trademarks of and Warner Bros. Entertainment Inc.

About the Author ACME products and services are synonymous with Looney Tunes and Merrie Melodies cartoons. ACME was first mentioned in the cartoon "Buddy's Bug Hunt" in the 1930s. Almost every director from the Golden Age of Warner Bros. cartoons has employed an ACME prod Charles Carney is a former high school teacher who has been writing for Warner Bros. for 16 years. His home in Los Angeles is an ACME-free zone.
