I didn't know much about Mandalas before buying Kathy Rausch's ...By Karen J Skoglund I didn't know much about Mandalas before buying Kathy Rausch's book in December. But I found out that I had been Doodling Mandalas for years in my notepads at work! This book has clear instructions on how to get started making real Mandalas right away. It is also quite thought provoking and meditative. Thanks Kathy! 0 of 0 people found the following review helpful. Life Changing By Carol Davis I had absolutely no interest in mandalas until I read Kathy's life changing experience with the art of mandalas. Kathy has a unique gift of telling her story, intertwined with mandala art. The delicate weaving of her unsettled life with the creativity of mandala art kept me engaged from the first word to the very last. It is a story you won't want to miss - from being on the brink of ending her life - to her return to a life richer and fuller than ever through her creative expression with mandala art.
