Rolf McEwen : Adult Coloring Book Fairy Tales from Europe before purchasing it in order to gage whether or not it would be worth my time, and all praised Adult Coloring Book Fairy Tales from Europe:

This book includes artistic images created to illustrate fairy tales from Europe. They are intended to be colored by adults who wish to relax, to be creative, and to relieve some stress. It's not a typical coloring book featuring bold black outlines surrounding white spaces. Many gray and black areas exist, so only a portion of each image can be colored. Don't stress about it. Just have fun with it.
