Very pleased. 1 of 1 people found the following review helpful. Color to combat stressful days! By JKWI have started coloring in my Coloring Book and it is so enjoyable. For this coloring book I'm using Gel Pens. I was afraid the colors would bleed onto the next page but it didn't which is a A+. It is very relaxing to color and so fun to see the page pop with color. I highly recommend the Butterflies Wings to help relax or for stress releasing.
