P. G. Wodehouse : Over Seventy before purchasing it in order to gage whether or not it would be worth my time, and all praised Over Seventy:

6 of 6 people found the following review helpful. The most sober and the less self-centered autobiography I have ...By Marius ZahariaThe most sober and the less self-centered autobiography I have ever read. One might find this a disadvantage in an autobiography, where one might want all the gory details. But this is the typical Wodehouse outlook, and I wouldn't have had it any other way. A sheer pleasure.

The Wodehouse phenomenon continues with more sparkling classics from the master of hijinks and social comedy. P.G. Wodehouse is recognized as the greatest English comic writer of the twentieth century, rightly admired throughout the world and translated into more than thirty languages. Launched on the twenty-fifth anniversary of his death, this series presents each Overlook Wodehouse as the finest edition of the master's work ever published?beautifully designed and faithful to the original. *Over Seventy* is an "autobiography with digressions" (Wodehouse's own words again), rich with the master's reflections on America, his adopted home.

About the Author P. G. Wodehouse (1881–1975) spent much of his life in Southampton, New York, but was born in England and educated in Surrey. He became an American citizen in 1955. In a literary career spanning more than seventy years, he published more than ninety books and twenty film scripts, and collaborated on more than thirty plays and musical comedies.
