About the Author  
JOEL RICKETT is a publisher and a (very) occasional writer. His previous books include *How To Avoid Huge Ships* and *Whitstable Mum in Custard Shortage*. He lives in North London (of course), where he's a thoroughly modern parent to two gorgeous, demanding girls.  
SPENCER WILSON is an illustrator and co-founder of the design and animation company Peepshow Collective. He has been working to commission since 1998 in a world of coffee cups and ordered chaos; his work follows this theme with the creation of sketchy ideas and twisted thoughts. He lives in the modern parenting paradise that is Berkhamsted, Hertfordshire, with his wife and two girls who never cease to inspire him. [www.spencerwilson.co.uk](http://www.spencerwilson.co.uk)
