cliches associated with the team's culture.....The poems are fun and creative.....and the one-liner punchlines have plenty of smack. I liked the fake radio interviews Aaron Rodgers performed with his "special guests," especially Vince Lombardi.Lots of laughs.Herbie C.0 of 0 people found the following review helpful. Four StarsBy Marcia BurnsVery funny and so right on!

Featuring pithy poems and grandstand gags that roast the Packers' favorite foes — Bears, Cowboys, Vikings, Lions, 49ers, and Giants — this 2ND edition, 111-page comedy title is a perfect gift for all Packer fans. You'll find chapters dedicated to • the Packers' fellow NFC North punching bags • other most-hated rivals around the league • the spirit of Packer Nation, and • fun interviews on what an Aaron Rodgers Radio Show might sound — like, featuring famous call-in guests chatting with talk-show host A-Rod Plus, more than 100 hard-hitting punchlines that honor the Packers' success — and celebrate their down-trodden enemies' lack of it! Featured illustrations by award-winning cartoonists Jim Hunt, Jim Haynes and Tom Tomasz. Sample jokes appear at packerjokes.com where ongoing contests invite readers to submit their own Packer poems and punchlines (one-liners). The best ones are featured at this web site. A portion of the book's sales will be donated to Make A Wish, a Milwaukee-based organization dedicated to helping children with life-threatening illnesses.
