This is the perfect gift for the passive aggressive driver who is continuously irked by the narcissistic or incompetent individuals they share the road with. Leave these on a window to truly get your message across without any harm (aside the harm that you may bring to someone's conscious). 1 of 1 people found the following review helpful. Five Stars By Elaine Diggs Hilarious to have or give as a gift! 0 of 0 people found the following review helpful. Five Stars By Angela Roach Husband loves them.

Did someone park his Miata parallel across the last three perpendicular spaces? And there's no parking enforcement around to bust him? No problem. Thanks to Parking Tickets, readers can issue a cleverly designed and perfectly humiliating "fine" to the inconsiderate owner. There are simple messages ? "You're a space hog," angry cards ? "It was either this or a crowbar through your window," and sarcastic tickets ? "Hope you're better between the sheets than you are between the lines." Together they provide good parkers an outlet to vent their frustrations toward people who deserve it, and maybe raise that driver's consciousness. Wallet-sized to fit in a pocket, purse, or glove box, Parking Tickets has tailor-made insults for every poor parking job. Can't slide into a space because someone parked across the white line? Give them "Couldn't decide which space to park in, huh?" Stuck with half a space because the parallel-parked car in front didn't pull all the way forward? Hit them with "Maybe a GPS system could have helped you find the middle of this parking spot." Someone parked four feet from the curb? Try "Didn't know it was national 'Let Your Child Drive to Work Day.'"
