Would have your friend talking crap about your back about how rude it wasBy SamanthaPat the husband is much better- this one comes off as a bit offensive which I why Im guessing this one isnt a "look" "inside" book..... Would have your friend talking crap about your back about how rude it was.... I decided not to give the gift.0 of 0 people found the following review helpful. This is a very funny parody. A MUST for every bride!By Jeanne CrowleyJust the perfect engagement gift!! Pair it with the even MORE hilarious "Pat the Husband" and wait for the laughter!!!

Dorothy Kunhardt's Pat the Bunny is a children's classic, with millions of copies sold. It's inspired numerous spin-offs for both kids and adults-but none as wickedly amusing as this clever interactive book! Women will have endless fun playing with the lift-the-flap, touch-and-feel, pull tabs, and other highly designed elements. It slyly questions how will you get Paul through the wedding of a life time? When will Paul committ already, as our bride isn't getting any younger? Can you help the bride deplete her 401K to get the dress, and shoes, and things she "needs" to get married?

Where will you seat Crazy Uncle Larry? Since many little girls fantasize about one day being the princess or beautiful bride (some do it two or three times!) what's better than celebrating with a toast and this hilarious adult humor parody in this great children's format? Pat the Bride takes amusing aim at the oddities of brides everywhere, making it the perfect gift from girlfriend to girlfriend, as well as for bridal showers and anniversaries. Every bride will recognize the humor in the quirky characteristics played out - and laugh every time.
