Cute but was expecting better quality for the money By Rachael E. I love the book, just the quality of the materials was pretty disappointing. It was about the same quality as card stock. Book overall was very cute and a good throw back to my childhood with a zombie twist. 1 of 1 people found the following review helpful. My Review By Monica F This is a cute little spoof of the old "Pat the Bunny" children's book. The spoof is intended for adults. It is a short book, pages and story wise. There are little sight and tough gags throughout allowing reminiscing and play. Overall, a fun read/spoof!

A macabre mash-up of the children's classic Pat the Bunny and the present-day zombie phenomenon, with the tactile features of the original book revoltingly re-imagined for an adult audience. In the hemorrhagic vein of other zombie parodies, Pat the Zombie presents trusting toddler Judy playing peek-a-boo with a putrefying Paul. Grownup fans of

Pat the Bunny (seven million of them) will find their favorite touch-and-feel features disturbingly re-created: Judy reaches for Zombies decaying jaw instead of daddys cheek; Paul caresses Mummys empty eye socket instead of her wedding ring. Ximms twisted wit, Soofis sick artistic sensibility, and clever packaging that mimics the original book will bring the undead lurchingly to life in this camp popculture romp.
