I use prisma color colored pencils and love the stress relief.0 of 0 people found the following review helpful. Not my favoriteBy Cellanne2003I really did not care for this coloring book. The designs were not what I expected so I passed it along to a friend.1 of 3 people found the following review helpful. Would love to see images of inside of book.By Windy City HopeMy review is based on the images provided

for the book. I was considering purchasing but it's hard to make a purchase decision just based on images of the cover and back of the book. I'd like to see images added of examples of the pages. There wasn't a way to message the author, so I wasn't sure how else to provide this feedback.

Adult Coloring Books (Mandala Coloring Book): Peace Chakras 42 BEAUTIFUL MANDALA CHAKRAS and 12 INTERESTING PATTERNS TO COLOR! This book is first of its' type where Geometric and henna patterns mixed together for better intricacy and beauty together with much focus on center thus relieving more stress. About Content/Images Each Mandala consists of a central part as the Geometrical shape and henna patterns are around it. 3d Objects, flowers, leaves, religious symbols, patterns are also used in mandala designs. Together they create unique art which looks simple but extremely attractive. Eyes quickly catch the center which helps to focus more. Other than mandalas there are 1 peacock design, 2 doodle patterns, 3 carpet designs, 1 flower rain design, 1 pattern flag design, 2 purely henna designs for hands 1 very unique design is also there. 1 page consists of inspirational quotes related to stress relieving. What is unique about this book? All the designs are truly unique beautiful and won't be seen anywhere. If you are looking for something fresh, simple, exciting, beautiful, inspirational this coloring book is for you. This book considers your religious taste as well as much thought and research is put into design style for relieving deep stress. How to use this book? All the mandalas have a complex Geometrical center (Look cover Image) and you need to focus more there while coloring and henna patterns around it are simple. As initially you are less focused you can start coloring from outward to inward for deeper and deeper stress relieving and relaxation. Once colored images can also be used for meditation.
