Nawara I've always had a thing for Paisleys, so when I was looking for a new color book Peaceful Paisleys was a natural choice. This book didn't disappoint -- it has 31 different designs, all absolutely beautiful. This morning I started to color my first picture. I planned on coloring for about an hour -- I couldn't put it down, three hours later I was finished. It has nice thick pages that don't tear from too much ink or bleed through to the page below. Terrific book -- highly recommended! 11 of 11 people found the following review helpful. Lovely Book! By OhioGranny This is a gorgeous paisley coloring book! Each design is different and intricate so no room for boredom here. The paper is a good thickness and perforated. Can't wait to start coloring in it! 6 of 6 people found the following review helpful. Great patterns and very high quality paper/printing/designs. By JStewart I bought a few of these for my Girlfriend and I to do to de-stress. This is probably the highest quality technically, very sharp printing on some nice smooth crisp paper. Also, on a few of the others the lines were a little blurry like they had been scaled up too large. These are nice and sharp and with how much time you will spend looking at every inch it makes a big difference. Highly recommended and I am sure that others from this author/publisher are also high quality.

Let creativity flow as you immerse yourself in a meditative medley of paisley! Color 31 full-page complex yet relaxing designs. Heavyweight paper is superior to that of other coloring books. Designs are printed on only one side of a page -- no bleed-through. Each page is micro-perforated for ease of removal and display of your artwork. Acid-free paper helps preserve your work. Invigorate your artistic vision as you color a variety of calming motifs ranging from playful to intricately elegant. Paisleys are ancient droplet-shaped designs that originated in Persia; their modern name comes from the textile-producing town of Paisley, Scotland. Book measures 9-1/2 inches wide by 9 inches high (24.13 cm wide by 22.86 cm high). For artists and colorists of all levels.
