Great Book that Comes from the Annual Television SpecialBy Chris N.Great story with pictures and storyline that comes directly from the television special. On our previous edition of this book the interactive buttons no longer functioned. Both of my kids love the story and the Peanut characters.Word of caution if buying a used copy:Some resellers do not check to make sure the buttons are functioning. That happened with the reseller RP Kids. They had great customer service and quickly fixed my disappointment to make me a happy customer!4 of 4 people found the following review helpful. I've always loved A Charlie Brown Christmas and have passed on the magic to my daughterBy Amberr MeadowsThis book will never lose its appeal. I used to read it every year during the holiday season and read it to my daughter for years until she could read it for herself. She loves it just as much as me, and we even have our own Charlie Brown Christmas tree :)6 of 6 people found the following review

helpful. A Charlie Brown Christmas By Dr. Dadof3A simple little book that quietly shows the true meaning of Christmas to the Peanuts gang. The simplicity of our Saviour's love easily surpasses the trappings and gadgetry of Christmas from the store.

Featuring a collection of inspirational values (such as "Be generous" and "Be compassionate") illustrated with favorite characters from the Peanuts gang, this pocket-sized book makes a thoughtful gift for someone being on the giving or receiving end of bullying or acts of unkindness, with the message that bullying is not OK.

About the Author Charles M. Schulz (1922 -2000) was a 20th-century American cartoonist best known for his Peanuts comic strip, which debuted in 1950. Peanuts went on to become the most widely read comic strip in the world, with an audience of 355 million people in 75 countries. It ran in 2,600 newspapers and was published in 21 languages. Peanuts, one of the most beloved entertainment brands of all times, is a unique force across all media—newspaper, television, video, music, books, web, and theater. PEANUTS boasts an indelible cast of characters, including Snoopy, Linus, Lucy, and Good Ol' Charlie Brown. Over 18,000 comic strips celebrate numerous themes (holidays sports), countless poses (Snoopy lying on top of his doghouse), and well-known expressions ("Good grief!") that have become a part of the American vocabulary.
