Peanuts Wisdom on Parade What do cartoon characters know about life? Plenty, if they reflect the sentiments of the world's most beloved cartoonist. The late Charles Schulz was the first to use the human condition—rather than action and adventure—as the basis for a comic strip. Peanuts Guide to Life presents Schulz' classic observations, his most charming counsel—filtered, of course, through his loveable cast of characters. You'll find them all inside this book—Charlie Brown, Snoopy, Sally, Lucy, Schroeder, Peppermint Patty, Marcie, Woodstock—sharing their wry observations and advice. Foreword by Andy Cohen.
