I am happy as it prevents screen time. Parents should promote such reading to give kids another past time other than with electronics. They need to be Active-minded, not Passive-minded. 0 of 0 people found the following review helpful. great By blood angel anything done by pat brady (rose is rose) is great. i always loved his books, never disappointed. if your in a sad mood, angry mood, or really any mood, his books just makes you feel good and laugh, and it does remind you of your family and the times you had together, i don't know if that makes sense. but trust me all his rose is rose books are great. 0 of 0 people found the following review helpful. Great Family Humor! By Sher I love these books! Rose is the quintessential mom, with a great husband, wonderful son, irritating cat (aren't they all?), and an alter ego that defies description. (Dare I mention her mother in law?...who is also a wonderful character...really! Oh, and the son's Guardian Angel....) These comics are also very much appreciated by my husband (a true Marvel comics fan). Loads of laughs!

This Rose is Rose comic strip collection stars the charming Gumbo family in a fantastical world all their own. The art combines dreams and reality as the stars live out their lives in sweeping fashion and the artwork begs to be cherished and collected. Peekaboo Planet is a fantastic collection of Rose is Rose cartoons that gives readers another fun peek into the hilarity of the Gumbo family. Rose, Jimbo, Pasquale, and of course the family kitten Peekaboo, are at it again in a full-color collection of strips. From backyard blow-up swimming pools pilates to the fishing pole that got away, Rose is Rose is always good for a laugh.
