Kyle Mosher : Perfect Nonsense: 215 Illustrated Limericks before purchasing it in order to gauge whether or not it would be worth my time, and all praised Perfect Nonsense: 215 Illustrated Limericks:

Travel the wide world of Nonsense in this collection of 215 limericks. They playfully walk the reader through lesson after lesson on how gloriously ridiculous life is - or can be if you've got the gumption. And every one of them is paired with one of Lear's original illustrations.

From the Back Cover "A little nonsense now and then is relished by the wisest men." --Anonymous
