I love all of Kim's booksBy J.D.I love all of Kim's books. Her designs, variety and messages are beautiful. I agree with another reviewer(s) that "Imperfect" takes the pressure off coloring these. In fact, this book made me realize why I haven't colored much in the other mandala coloring books I have...I end up working too hard to make it "perfect" with colors, symmetrical, staying in the lines etc. Of course, It's not very relaxing when I do that.0 of 0 people found the following review helpful. It's Okay To "Mess Up"By Robin J. TauberThis Is A Great Book! It Reminds Me That It's Okay To Slip Up. With These Designs, Since They Are Not Perfectly Sumetrical It Loostens Me Up To Play More. All Of The Designs Have That Rough

Hand Drawn Quality That Is, In My Opinion, Easier To Work With.

Reg. price: \$11.99 See what's inside: <https://www.youtube.com/watch?v=WNnDmx4D1z4> Perfectly Imperfect Mandalas for adult coloring fun and relaxation are my versions of the mandala. I think mandalas are beautiful and amazing, but I've never really enjoyed coloring them...too stiff, too perfect somehow for my taste. So when I found a way to make an outline of a mandala and fill it with my own flowy art, now that was exciting! And, super fun to create and more importantly, color! I hope you enjoy coloring them as much as I enjoyed creating and coloring them. As an intuitive energy healer, I put a little bit of what I call "magic" or you might call good vibes in every bit of art I create...it's my wish that you "feel" the vibe and have a great time coloring these whimsical and unique mandala designs. Book Highlights: 36 All Original Designs Designs for Assorted Skill Levels Single Side Printing on White Paper Stress-Relieving Patterns and Designs BR> Book Side Effects: Joy Laughter Relaxation and Calm Stress Relief Lightheartedness, more...
