Ryan Nusbickel : Pete and the Delete Button before purchasing it in order to gauge whether or not it would be worth my time, and all praised Pete and the Delete Button:

1 of 1 people found the following review helpful. Good gift book By Kindle Customer Great kids book. Lots of fun here. We enjoy reading this book to our grandson. He picks it out from the pile of other books.

Would you delete bad memories if you had the chance? Pete's done everything from falling down a man hole to jumping on a bicycle missing a seat, and he's decided that he doesn't want those embarrassing memories any longer. That's why Pete decides to delete them with a magical remote control. What happens next will surprise you!

About the Author Ryan Nusbickel is a former television reporter, who somehow managed to win an Emmy despite spending way too much time drawing cartoons in news vans. A Thomasville, GA native, Nusbickel was educated at Wake Forest University and The Newhouse School of Public Communications at Syracuse University. Nusbickel has published other books for young people including *Follow Those Dots* and *The St. Louis Night Before Christmas*. He currently lives in St. Louis with his wife, daughter, and a menagerie of pets. You can visit him online at nusbickelbooks.com or like his page on Facebook.
