lines and thought, "Well, I guess that's something someone with Tourette's might say." 2 of 2 people found the following review helpful. Moooooo!!! Wanker!!!!!! Oh dear. It seems that our furry, feathered, and finny friends have been afflicted with a bad case of the swearing disease! From foul-mouthed Fidos, to pissed-off Pollies, to fish that say "fuck!" the entire barnyard is in an uproar and it's getting out of hand. This miniature masterpiece combines comical and cute animal photos with captions that are sure to appall even the most adoring animal-lovers.
