Beverly Jenkins : PhotoBomb-a-Day 2016 Calendar before purchasing it in order to gauge whether or not it would be worth my time, and all praised PhotoBomb-a-Day 2016 Calendar:

1 of 1 people found the following review helpful. Great stocking stuffer By Sam Heinitz This is absolutely hilarious! I've kept mine intact, so every now and then I'll just pick it up and randomly flip through. Never fails, I'm in tears! Miss Jenkins has an incredible sense of humor. After having purchased the 2015 calendar, there was no way I was going to pass up this one. Great stocking stuffer! I look forward to her future work.

Photobombing involves someone or something sneaking into a photo undetected, whether on purpose or by accident. Once viewed as "spoilers," photobombs are now seen as a comedic art form and can take a photo from ordinary to extraordinarily funny. Featuring a different photobomb accompanied by a witty caption each day, the PhotoBomb-a-Day 2016 Calendar offers not only laughs but also tons of ideas for future photobombs, elevating the art of photobombing even higher.
