**Stuart Maconie : Pies and Prejudice: In Search of the North** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pies and Prejudice: In Search of the North:

0 of 0 people found the following review helpful. Four StarsBy jamesedwardVery good3 of 4 people found the following review helpful. InsightfulBy Harry SaxonI moved to the UK 20 days ago. I moved "oop North". I was recommended this book so as to understand the people better. Having lived only 9 days in the UK in total, I felt like I should have a map near my Kindle when reading, but it's been very interesting, getting to know about Northerners and the North and Southerners as well. I laughed a lot and people gave me weird looks on the plane and all the buses and

trains. I hope, when I know more about living here, I'll laugh more when I read it again. Great. 2 of 3 people found the following review helpful. Thoroughly enjoyed the wide-ranging information and thoughts on some of the ... By Tere Gidlof Thoroughly enjoyed the wide-ranging information and thoughts on some of the English cities and villages that are left out of most tourist books.

A northerner in exile, stateless and confused, hearing rumors of Harvey Nichols in Leeds and Maseratis in Wilmslow, the author goes in search of The North. Delving into his own past, it is a riotously funny journey in search of where the clichés end and the truth begins. He travels from Wigan Pier to Blackpool Tower, the Bigg Market in Newcastle to the daffodil-laden Lake District in search of his own Northern Soul, encountering along the way an exotic cast of characters while he battles with his own identity.

"Stirring and rather wonderful." —The Sunday Times
