**A.J. Farthing : Pig Food Salad** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pig Food Salad:

1 of 1 people found the following review helpful. Sex, Violence, and RevengeBy D.C. JacksonFate overcomes all. Maggie is a very strong woman, who put up with alot, and finally gained her freedom from an abusive relationship, through a twist of fate!!! Excellent reading for all women. A.J. Farthing writes with such a depth, it makes you wonder

how much of the book is based on true life. I cant wait to read her next book.0 of 0 people found the following review helpful. Very interestingBy Its just meThis book is very funny and once I started reading it I had a hard time putting it down just because I wanted to know what was going to happen left. For a fiction it is very funny and you have to wonder just how much of it is really true.

The Disclaimer states, "This book is a work of fiction. Any similarities between actual persons living or dead is purely coincidental and absolutely unintended." Then why are so many people in your town so nervous when they read, "Do you swear to tell the truth, the whole truth and nothing but the truth, so help you God?" Because, you do recognize the man who was murdered and the man waiting to testify. You are right. He looks so unnatural without his lectern and bible in front of him. Everyone sees his wife clothed in embarrassment as she glares at the pretty, young blond woman on the witness stand. And there they are the rest of her cohorts! Tina, Nancy and Charlotte. Oh it had been years since this town saw that little group of harlots together. They still think everything is a joke. Even this trial. Well this will teach all four of them a lesson. Things here will never be the way they were before the shooting.

A fast paced story line that compels the reader to love or hate the characters. -- B. Hale, MT January 17, 2003Farthing's characters are the real thing, not politically correct by any means. They show the savage reality of life. -- A. D. Rood, N.Y. December 20, 2002Laughs, love, violence and sex. Farthings sizzling honesty makes the novel an exciting read from the beginning to end. -- D. Hondroff, PA, January 5, 2003About the AuthorA.J. Farthing has also written, The Legend of Percy Fink and Helen's Daughters.
