**Peg Bundy : Pig Out With Peg** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pig Out With Peg:

Then they poisoned me with cuteness. That being said, the lazy housewife was never portrayed better than by Peggy Bundy. That she would produce a guide to trough filler is the ultimate in chutzpah. Not that it doesn't stand out amongst my cookbooks. Grand fun.0 of 0 people found the following review helpful. Pig Out With PegBy L. BrownI was in Barn's and Noble one day and bought Pig Out With Peg because I thought it was a joke book. (I did not have time to read it, and it was only \$1). When I did read it, I found out that it was not only funny, but was also a cookbook with usable receipes. I loaned it to a co-worker and she kept it. I could not find it in the book store and went on it repurchase it.0 of 0 people found the following review helpful. Three StarsBy CustomerPretty silly, sure, but I enjoyed it!
