**Steven Kroll : Pigs in the House (Once Upon a Time)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pigs in the House (Once Upon a Time):

1 of 1 people found the following review helpful. When I found a used copy on (labeled as being very good condition) I was hesitant but I had to share ...By BMy own parents read me this book as a young child so I absolutely had to buy it for my daughter. I was heartbroken when I realized it was no longer in circulation. When I found a used copy on (labeled as being very good condition) I was hesitant but I had to share this story with my little girl so I bought it anyway. So happy I did. The book was basically like new, no tears, writing, or scuffs to be seen. Also, the book itself is amazing. The entire thing rhymes so it's fun to read, and the story doesn't get tedious no matter how many times I read it to her. The pictures are beautifully done and really grab her attention. I love this kids book :)0 of 0 people found the following review helpful. Great Kids Book!By Mr. HammerThis was once of my daughter's favorite books 25 years ago. We lost our copy over the years. Was nice to find a backup copy for future grand kids.We still say this

line after we return from vacation: "Though it had been fun to roam, it was good to be back home"0 of 0 people found the following review helpful. The pictures are great and the story so cuteBy Shawn RassmussenGranddaughter loves this book! The pictures are great and the story so cute.

A well-loved classic, generation to generation!Farmer Mack was running late and forgot to lock the gate! Follow three pigs through a whirlwind of fun in this classic children's book. You will appreciate the humor and creativity brought to life by author Steven Kroll and illustrator Tim Kirk. The ending theme "it is good to be back home" is one with which every parent and child can relate.

About the AuthorSteven Kroll woke up one morning and looked around his messy house. "What a pigpen!" he said. That started him wondering what it would be like if there really were pigs running around his house. And so began Pigs in the House. Steven Kroll has written more than seven dozen children s books. He also speaks at schools and conferences all over the world. He and his wife, Kathleen, live in New York City in what is now a very neat apartment.
