Michael Truly : Play on Words: A Collection of Visual Puns before purchasing it in order to gage whether or not it would be worth my time, and all praised Play on Words: A Collection of Visual Puns:

0 of 0 people found the following review helpful. Great Fun! By Janell Lundin Mike Truly is a true artist with a great sense of humor. I hope there are more to come, Mike. I keep a copy on the coffee table and our guests enjoy every page. How about note cards and or a set of dessert plates with answers on the back. I just love this book. 1 of 1 people found the following review helpful. Play On Words A Collection of Visual Puns by Michael Truly By Gregory Y Garrett I highly recommend this book, for any age. A collection of visual puns, each one, carefully illustrated. Michael Truly will be remembered for combining education with entertaining visuals. Its fun for anyone, and I think it will be a big hit, with "English as a Second Language" students. I helped the Author, and he really has gotten a lot of positive response, from everyone we have shown it to. English can be a difficult language to learn, but Michael makes it fun.

“In Play on Words, this delightful collection of visual puns, may you find that same whimsy in full bloom. Enjoy!” - Mary Truly, Bmusic, Mmusic, composer, little sister of Michael Truly

About the Author Michael Truly is a Dallas artist who focused on his artistic gifts from very early childhood, eventually leading to his bachelor of arts degree (University of Oklahoma, 1958) and on throughout his long career as a painter. He has worked in a variety of media in commercial art, mural painting, serigraphy, as well as teaching

painting. He continued to study privately with various painters in Dallas, in most recent years with the prominent Liz Richardson. Mike's paintings are in private collections in Dallas and other Texas cities, as well as on the West Coast, and his work has regularly appeared in the Dallas Museum of Art Staff Art Shows since 2006. Just as his devotion to art has characterized Mike throughout his life, so has the playful humor that has sometimes emerged, for example, in his small whimsical copies of historic paintings, with images of himself posed in place of the original subject (imagine the Abduction of Europa replaced by the Abduction of Michael).
