1 of 1 people found the following review helpful. Great to laugh while driving. By Filmfan A great 4 CD Collection - perfect for the car - especially when you are stuck in a traffic jam. Listening while in the car might even possibly reduce road rage. Many laugh-out-loud funny jokes. 0 of 0 people found the following review helpful. Bought it used. By TSC For the cost of buying this used (it's not as if the fidelity really matters for comedy), this is a great collection of mostly funny jokes. Every so often, it's great to put on a comedy album and listen to it and this is one (actually, multiple discs) that meets my standard of jokes and presentations I enjoy hearing periodically. 0 of 0 people found the following review helpful. Fun for almost all ages. By Faye These CDs are SO much fun that I bought them for others. Great for anybody who takes car trips.

Includes the complete Pretty Good Jokes, Few More Pretty Good Jokes, and New and Not Bad Pretty Good Jokes.

About the Author As the host of A Prairie Home Companion for over forty years, Garrison Keillor has captivated millions of listeners with his News from Lake Wobegon monologues. He has been honored with Grammy, ACE, and

George Foster Peabody awards, the National Humanities Medal, and election to the American Academy of Arts and Letters. Paula Poundstone has been a stand-up comic for over thirty years. She is a regular panelist on NPR's #1 show, Wait Wait . . . Don't Tell Me!, and she recently voiced the character of Forgetter Paula in the Disney/Pixar Oscar-winning film Inside Out. Her successes include HBO and Bravo specials, and an American Comedy Award for Best Female Stand-Up. From AudioFile An unabashed overload of rapid-fire short jokes, riddles, and funny conundrums, "A Prairie Home Companion's" annual unearthing of classic and modern jokes is a heartening ride through the harmless jokes of childhood and somewhat more risqué adult material. Never shooting more than a meaningful glance at anything off-color, this bounty of humor should delight audiences of most ages. If you don't mind a bit of over-earnest delivery and some occasionally creaky material, this audiobook is for you. Well-timed rim shots, percussive punctuation, and performers up for almost anything make this a comedy vitamin for the depleted soul.
