**Jason Boyett : Pocket Guide to the Apocalypse: The Official Field Manual for the End of the World** before purchasing it in order to gage whether or not it would be worth my time, and all praised Pocket Guide to the Apocalypse: The Official Field Manual for the End of the World:

0 of 0 people found the following review helpful. Good readBy Doc WoodsThis is a pleasing, quick read. The author has a good humorous (but factual) approach to the apocalypse. I would also suggest Forest Griffin's book about the

ApocalypseBe Ready When the Sh\*t Goes Down: A Survival Guide to the Apocalypse0 of 0 people found the following review helpful. It's ok... not exactly original.By Sir DampierA lot of the book is just regurgitated facts from other books, movies and TV. Nothing very exciting about it really visually. Very much a bathroom reading material type of book.0 of 0 people found the following review helpful. Apocalypse GuideBy JMThis book was very informative and an easy read. It lists the names and meanings of different theories out in an easily understandable manner. I was going to read it a 2nd time when I can.

THE END IS ALL KINDS OF NIGH. So go ahead and start with the panicky noises. Then, crack open this handy book. It's your comprehensive guide to the last days, a must-have for apocalypse watchers, readers of Revelation and all-around Armageddon obsessives. Inside you'll find valuable information like: -- A brief history of the end of the world -- The Apocalyptionary (a glossary of the end) -- Candidates for the Antichrist -- Fun with eschatology! -- The Endies (a salute to end-times entertainment) ...and several other slightly alarmist and conspiracy-minded categories. Doomsday has never been so much fun!

About the AuthorJason Boyett is the communications director at Paramount Baptist Church in Amarillo, Texas. He is the author of Things You Should Know by Now (Relevant, May 2003) and The Guy's Guide to Life (W, October 2004).
