was one of several Christmas gifts for my sister-in-law's partner. She squealed with joy when she opened it, and was
famiily with the Pocket Pig brand, so it was a big hit! Great size for small desk / wall areas and big enough print to see
without glasses. Adorable pig prints throughout for all you pig lovers.Another home run for gift purchases this
season!0 of 0 people found the following review helpful. Five StarsBy Donald L. Hamiltonsis loved it she's a pig

Wee little piggies in a wee little calendar—what could be cuter than that? Starring the adorable and beloved teacup
pigs of Pennywell Farm, POCKET PIGS MINI CALENDAR adds sweetness to lockers, cubicles, and other small
spaces. This little piggie driving an itty-bitty motor boat. This little piggie with a big ice cream cone. This little piggie
posing in a handbasket. And this little piggie rocking out with a miniature electric guitar. Chubby, palm-sized, and
supremely photogenic, these little piggies will keep you smiling throughout the year. Each month's mise-en-scène is

accompanied by a pitch-perfect caption.
