Don't let their size and innocent expressions fool you—these little piggies bring in big smiles. The teacup pigs of Pennywell Farm in Devon, England, are always ready to pose for the camera, and they are the perfect diminutive subjects for this diminutive calendar. A sweet black-and-white mottled pig snuggling with a lamb. A spotted pig surrounded by peonies bigger than his head. And a holiday mise-en-scène: a pig in a Santa hat in front of a Christmas tree. Perfectly sized for a locker, fridge, or cubicle, Pocket Pigs Mini Calendar adds yearlong cuteness to any small space.
