(no actual pigs are harmed @ this monthly event) By jorma Love this calendar. This is an ongoing tradition at my home that brings my two kids and I together at the beginning of every month for "THE FLIPPING OF THE PIGS". We all get together and turn or flip the month to reveal the new pigs. (No Peeking at Future Pigs !!) Tried a different calendar one year, but returned to the diminutive charmers @ my kids request. 1 of 1 people found the following review helpful. For pig lovers By Mother of Two If you like pigs, then you will love this calendar. The pigs (or probably piglets) are small enough to fit in someone's hand. Other than the cuteness factor, the calendar is well made.

The cutest little piggies—period—are back! Meet Bertram, peeking out of a jack-o'-lantern. Tabitha trotting through a pile of bubbles. And Lawrence asleep inside a well-worn boot. Pink, palm-sized, and irresistibly chubby, the teacup pigs of Pennywell Farm love to pose—and the camera loves them. Featuring a dozen delightful mise-en-scènes that

capture the pigs' sweet spirits, accompanied by captions that heighten the cuteness quotient.
