Good coffee table book By Lori Vance Cute illustrations, but many of the poems were written in such old-world English that they were hard to understand. Liked the variety of poems though. 2 of 2 people found the following review helpful. A brief collection of famous poems about cats with adorable illustrations By Wayne A McCoy 'Poems about Cats' is a collection of, well, poems about cats. It's illustrated by Yasmine Surovec, the creator of Cat vs Human, and the drawings are really cute. There are a wide range of poems here from Ancient Egypt to nursery rhymes. There are works by William Blake, and Yeats and Shakespeare and Dickinson to name just a few. Edward Lear Curiously omitted is work by t.s. eliot, but perhaps that is cat ground already well trodden. There are illustrations for every poem, although in ebook form, these are sometimes cut off on a two page format. At 98 pages, it feels a bit light, but the illustrations are lovely. If you need a small gift book for a cat fancier, I suppose you could do worse than a volume of poems about cats with lovely illustrations. I received a review copy of

Feline Poetry By tvtv3 Illustrated by Yasmine Surovec (author and illustrator of Cat Vs Human), POEMS ABOUT CATS is a collection of various cat poems. The poems include famous nursery rhymes and texts from Ancient Egypt. Yeats, William Blake, Shakespeare, Emily Dickinson, and Christina Rossetti all made the cut, but there's nothing from that famed T.S. Eliot book of poems, OLD POSSUM'S BOOK OF PRACTICAL CATS. The illustrations are just like the ones in the Cat Vs Human books. In terms of poetry, it's kind of a wide selection. However, people who enjoy poetry really aren't the ones that will be purchasing this book. This is a book pretty much just for cat lovers.
