2 of 2 people found the following review helpful. Great book! By Darniesha C. Great book. Fun things to get into. The

pointlessness of the book makes it just that much more interesting. This book was purchased for my middle school aged preteen who adores this book. She is always showing the "fun" and "pointless" things the book tells her to do. Lots of content. 2 of 2 people found the following review helpful.
