A Barkers DelightBy Carla R.Mia has done a great job in these photos by using unique glasses to give each dog a distinct look and personality! Don't be surprised to find one of these books at your ophthamologists office. :)

A must-have for all fashionistas and dog lovers, this collection from an extremely talented pet photographer truly captures the varied personalities of each of her stylish subjects. These designer sunglasses require elegance, attitude, and even wit in their wearers, and one simply could not ask for more appropriate models.

"A hilariously eccentric collection of glamorous pups, all sporting the latest shades." —Daily Mail
