Popover is a little mouse with big ideas. When he wakes up one morning and decides he's tired of being small, it's up to him to show his family he's ready to be big and grown-up. But being big isn't always as easy as it seems especially when it means taking on more responsibilities and giving up some of the things he thinks he's outgrown. Is Popover really ready to be big? Or can he learn to accept who he is? Find out with this sweet, funny story sure to entertain the biggest little hearts.
