**Scott Adams : Positive Attitude: A Dilbert Collection (Dilbert Books (Paperback Andrews McMeel))** before purchasing it in order to gage whether or not it would be worth my time, and all praised Positive Attitude: A Dilbert Collection (Dilbert Books (Paperback Andrews McMeel)):

9 of 9 people found the following review helpful. Die hard fans: get it! New readers: don't start here!By Casper PaludanI am a long time fan of Adam's descriptions of Dilbert and co-workers' exploits. I own more than 10 Dilbert books and the recent ones, while good, are not the best. I never laughed harder than from Casual Day has Gone too Far and Still Pumped from Using the Mouse, and every subsequent Dilbert book gets measured against that. The earlier ones are worthy just for leading up to the pinnacle, and are interesting for spotting the budding genius of the later installments.I think the Dilbert series as a whole holds its own still, and for sarcasm, it is one of the best. Something similar, although much darker, is Red Meat, which I also recommend.0 of 0 people found the following review helpful. Five StarsBy Miild Mannered MickDilbert in his cubicle, pointy hair, Alice, Wally- they are all there , making me laugh.0 of 0 people found the following review helpful. It made a good giftBy JPI bought this as a gift for someone who had to stay at home a few days after a visit to the hospital.They said it was a happy read.

Today I had a choice of doing something important that no one would ever realize . . . or doing something that would

look like an accomplishment. So I attended meetings until I could no longer appreciate the difference." -Dilbert\* Dilbert appears in 2,500 newspapers in 65 countries and is translated into 19 languages for more than 150 million fans. Proving that corporate CEOs are indeed clueless, that PowerPoint presentations are at best perfunctory, and that the Office Nemesis is an omnipresent force to be reckoned with, Dilbert creator Scott Adams offers his 29th comic compilation all in four-color-collecting all cartoons published from June 19, 2006, through March 31, 2007.\* Dilbert continues to be the voice for the embattled cubicle-dwelling Everyman. With best-friend Dogbert, and a veritable who's who in accompanying office characters ranging from the Boss and Wally to Alice and Catbert, Dilbert offers a reflective critique of corporate.

"Nine months of office hilarity....One of the best laugh riots around has yet to lose an ounce of steam." -- Midwestrecord.com About the Author What started as a doodle has turned Scott Adams into a superstar of the cartoon world. Dilbert debuted on the comics page in 1989, while Adams was in the tech department at Pacific Bell. Adams continued to work at Pacific Bell until he was voluntarily downsized in 1995. He has lived in the San Francisco Bay area since 1979.
