Wonderful illustrations for you to make your ownWhile coloring was once reserved for children, it is now used as a means to help adults relieve stress and anxiety. Engaging the mind with the present, it is an ideal way to take a break

in the day and meditate on the Word of God. Postcards of Blessing is a book of twenty black—and—white postcards. The beautiful postcards are designed with a Bible blessing on the reverse. They allow you to share your illustrations and a personal message with friends and loved ones. The binding uses a soft adhesive so cards can be easily removed.
