Fun, beautiful calendar without being "little girl" kitten cute.0 of 0 people found the following review helpful. Adorable, Well-Made CalendarBy LisThis calendar is adorable. Every photo, for every month, brings a smile to my face. The fact that the kitten's names are included ads a nice touch. The calendar pages themselves are large, with large daily boxes for me to write my appointments and plans in. The paper is good quality, too. I don't use the extra months in the beginning of the calendar but it's a helpful feature. Seth Casteel's photography is amazing and I'm so pleased that I made this purchase.0 of 0 people found the following review helpful. CUTE KITTENSBy MariusThe pictures are adorable. The calendar is as sturdy as a calendar should be. The names of each kitten are written under the pictures.
