Chaykin's seemingly forgotten (or ignored) gems is long overdue. Loaded with all of the fun, wit, sex, and satire that is to be expected from most of what Chaykin produced during this era of his work. In this case, Chaykin takes on the over driven Public Relations industry. A good read, well worth your time.

Written and created by Howard Chaykin. A crime fighter is genetically engineered to be a super-hero — but when the test goes awry and he doesn't have the super-hero qualities needed, he has to be teamed up with a former CIA agent who is the brains behind the duo. One gets all the glory while one has all the power.
