Karl Welzein : Power Moves: Livin' the American Dream, USA Style before purchasing it in order to gage whether or not it would be worth my time, and all praised Power Moves: Livin' the American Dream, USA Style:

The cold ones and BL Margs always go down smooth with Captain Karl in the kitchen, belting out recipes that are off the chain. This book is hilarious. It is mostly a rehash of Captain Karl's Twitter feed, but free of the lame 140-character limit, we get a bolder, more in depth look at the founder of Bad Boy City USA's lifestyle and thoughts. Ann and the kids are lamers, so Karl escapes and goes to live with his old friend Dave, but Dave is an idiot and a grossout. Where can a super cool guy like Captain Karl go where his off the chain visions and bold flavors will be appreciated? Kinda concernin'. 8 of 8 people found the following review helpful. LOL, You Guys By Robert Richardson Followed the twitter feed for about a year. Pre-ordered the book as soon as I heard

about it (March 2013). Read about 60 pages as soon as I got it out of the mailbox. Any @DadBoner fan would love this. Love the way Karl can spin any situation or bad decision into an optimistic event. 5 of 5 people found the following review helpful. The Miranda Lambert of BooksBy Kevin Doran This book is so rockin'. Piled high with life tips, and thick with juicy knowledge. Read it straight through, besides a few BM and Whiz breaks, and also ran out of cold ones so had to pick up a couple personal 12'ers. Reminded me of the first time I saw that babe Miranda Lambert's music vid- I wasn't able to sleep none that night, or last night after I finished the book. So hilarious. Sorry for rambling on, might be a little too bombed right now. Gonna take a quick snooze.

Meet Karl Welzein, aka Captain Karl, aka @DadBoner on Twitter—the Midwest's most beautiful loser Karl Welzein is really lookin' forward to the weekend, you guys. His job is a drag and his wife kicked him out, but that's okay. She wears granny panties and is constantly dropping wads of cash at Target, and his son cries all the time. Now his "temporary" roommate, Dave, ate all the Totino's pizza rolls. Again. Karl Welzein is sick of this. So sick of this. Power Moves chronicles the hilarious decline of Karl Welzein on his journey from life as a Dockers-and-golfshirt-wearing dad to a ponytailed party maniac who spits out his life philosophies like a modern-day Charles Bukowski (if he preferred to get drunk at Applebee's). A middle-aged Michigan native, Karl may be overweight, prone to questionable fashion and culinary choices, oblivious to his drinking problem, a poor excuse for an employee, obsessed with the restroom, and a terrible husband, father, and friend . . . but in his heart he means well. He's just like a lot of us—he loves the USA, Guy Fieri, bold flavors, Bob Seger, and thinking he looks jacked in a tight tee and Maui Jim sunglasses. Karl is an everyman and like no other man on the planet all at once. Inspired by the Twitter feed @DadBoner, Karl finally tells his full story. He shares his wisdom on fitness (1. Look at a pic of Stone Cold Steve Austin. 2. Do 'shups 'til you look like Stone Cold. 3. Cut off your sleeves), diet (Eat only the filling of the Taco Bell Beefy Melts for maximum flavor and low-carb health), fashion (Wearin' boots with jean shorts says "I like to keep cool, but I'm ready if the action gets hot"), work life (If you don't have a job that makes you want to kill yourself, you don't deserve to drink until you want to die), and the bliss of the perfect weekend (beers, brats, and babes' chest beefers). But above all, this is a story about America—the real red, white, and blue America of today. Welcome to Karl's world. Reading this book is the ultimate Power Move.

“One of the funniest stars on Twitter, Karl Welzein, a.k.a. @DadBoner a.k.a. actual comedian Mike Burns, will now be one of the funniest things on your bookshelf.” (GQ) “Karl Welzein’s is a tale of heartbreak, persistence, pathos—and Bold Flavors. He is a Man’s Man—manlier even. A True American. A Tastemaker. His delusional optimism could be a metaphor for America. 140 characters at a time, he has gifted us with an epic unrivaled since Homer.” (Anthony Bourdain) About the Author Karl Welzein is the president and CEO of Bad Boy City, USA. He lives in Grand Blanc, MI, but keeps it chillin' successfully with all the babes from coast to coast. Mr. Welzein chronicles his life on the Twitter feed @DadBoner.
