This isn't just your basic 'kid pranks'; the pranks related here are ART! 'PRANKS' showcases the creme de la creme of the Pranking world, from Joey Skaggs to Jello Biafra to Alan Abel to John Waters to Boyd Rice, and many, many more! The pranks run the gamut from relatively simple to intricate prankstravaganzas; not only entertaining reading, but stuff you can read again and again! 3 of 3 people found the following review helpful. ) I love it! By Debodacious This is a go-to book for me for ideas. It has a lot of really clever Performance Art and "Happenings" that just keep giving me ideas - mainly devious ideas - for art;) I love it! 2 of 2 people found the following review helpful. Fun...naughty, prankish, anarchistic fun By nennycakes I cannot recommend this book enough. The Boyd Rice interview alone is worth the price of the book. The conversation

with the pharmacist is also, truly knee-slapping funny. The Mark Pauline interview is very thoughtful profound. He made a good point with his bank poster 'pranking'. You will not be disappointed.

A prank is a trick, a mischievous act, and a ludicrous act. Although not regarded as poetic or artistic acts, pranks constitute an art form and genre. Here, pranksters such as Mark Pauline, Monte Cazazza, Jello Biafra, Joe Coleman, Karen Finley, Henry Rollins, John Waters and Henry Rollins challenge the sovereign authority of words, images and behavioral convention. Some tales are bizarre, as when Boyd Rice presented the First Lady with a skinned sheep's head on a platter. This iconoclastic compendium will dazzle and delight all lovers of humor, satire and irony. A great quotations section is also included.
