Precautionary Tales for Grandparents: Some of Which May be Read to the Young for Their Moral Improvement:

Inspired by Hilaire Belloc's *Cautionary Tales for Children*, whimsical and well-observed precautionary tales to amuse grandparents and impart moral guidance

"Sprightly, witty and utterly delightful, there are poems on animals, children, dubious peers of the realm and even a contemporary alphabet, all possessing the same gentle wit and moral message with a distinctly modern flavour." *Good Book Guide*
