'Precipice Writings' and other Relanym A Book of Word Play: from conversations with Jim Dandy (Volume 1):

'Precipice Writings' Other Relanym - A Book of Word-Play from conversations with Jim Dandy by Tom Antonellis throws you headlong into the entertaining realm or RELANYMS. Take something like 'Cliff's Notes' which becomes 'Precipice Writings' or 'Edge Scribblings' or 'Mountain Jots' or even 'Escarpment Drawings'...get it? These are Relanym. Well known 'The Empire State Building' becomes a silly 'The Monarchy Province Structure' or 'The Oligarchy Metropolis Edifice' or...well, you get the idea. This book, intended for adults, from the word-saturated, warped, creative mind of comic, actor and writer Tom Antonellis will have you laughing, (or better yet cry-laughing), most likely snorting, and then reaching for either a tissue or the nearest Thesaurus. "A relanym is an odd or whimsical word or phrase derived from a common word or phrase. Crafting one involves adjusting each portion of the word or phrase by replacing it with either a synonym, an antonym or some such related word – a word that would fall under the same category as the original."

About the Author Tom Antonellis grew up in Natick Massachusetts (born in Newton). In addition to being an author, he is an actor, comic voiceover artist in LA. An off-beat author, Tom Antonellis brings you his humorous coffee-table-style book: "'Precipice Writings' Other Relanym - A Book of Word-Play from conversations with Jim Dandy by Tom Antonellis". Tom attributes much of his comedic roots to childhood play with his multi-faceted and talented family: musician dad Tom Antonellis, Sr.; poet and artist mom Rosemary Antonellis; actress and comedienne (and regular playmate) sister Julee. Currently in production is Tom's first comedy CD "Tom Antonellis: Laugh at or With Vol. 1" on which the entire family is featured alongside actors, actresses and writers from his travails in Los Angeles which date back to 1998.
