How many customer reviewers does it take to change a light bulb..... By Mrs Schwartz I listen to this CD over and over and I laugh just as hard each time. The jokes are all goofy, silly and "punny" so they're right up my alley. The majority of the jokes are great for kids, although a few are a little bawdy. However, there is no foul or explicit language. They are good fun in the car when you're on a road trip. I feel great after listening to these CDs, like they say "Laughter is the best medicine." 1 of 1 people found the following review helpful. pretty good joke teller By Warren Macisaac this a hugely various collection: something for everyone, from "knock=knock" jokes to long and sophisticated story-jokes, with, at their best, some subtlety in characterization. there are sections for special interest, almost all of them pretty funny, of various lengths, and usable in different settings: for example, lawyers, doctors, engineers, etc. the few very slightly off-color jokes are never coarse and usually variants of straight jokes. for a paperback, it is well-printed and strongly bound. 's price, as usual, is a solid buying point.

Fulfilling the flood of requests from enthused listeners, Pretty Good Jokes combines all the jokes from A Prairie Home Companion's first four joke shows (1996-1999). It is an entertaining mix of knock-knocks, one-liners, North Dakota,

religious, animal, bar, and light bulb jokes, those famous "yo mama" insults and much more. This live recording features guests Roy Blount, Jr. and Paula Poundstone. *Pretty Good Jokes* is for *A Prairie Home Companion* fans and all fans unaffected good humor.

About the AuthorAs the host of *A Prairie Home Companion* for over forty years, Garrison Keillor has captivated millions of listeners with his *News from Lake Wobegon* monologues. He has been honored with Grammy, ACE, and George Foster Peabody awards, the National Humanities Medal, and election to the American Academy of Arts and Letters. Fans of Garrison Keillor's radio program will love this collection of jokes harvested from his annual *Joke Show* in April. Sound effects and genuine audience laughter capture the best of the cheerful old-time radio atmosphere. As a comedian, Keillor has a well-honed sense of timing and a facility with the bucolic language of Minnesota, both of which delight his audiences. These tapes would please anyone with a sense of humor or provide a pleasant interlude for listeners of more somber audiobooks.
