**Scott Stantis : Prickly City** before purchasing it in order to gage whether or not it would be worth my time, and all praised Prickly City:

1 of 1 people found the following review helpful. A parent's review in 2016: outdatedBy M. HeissUseful as a primary source for election 2004 political cartoons, especially the Dan Rather fake national guard memos scandal, this book is not entertaining reading. If you want more up to date political cartoons for your kids, try Diversity Lane or Stick Lives Matter. Or even better, Michael Ramirez.0 of 0 people found the following review helpful. Very funny! Very pertinent to today's political sceneBy P. WeinVery funny! Very pertinent to today's political scene. Big, big fan!0 of 1 people found the following review helpful. FunnyBy Brian KPrickly City is fun to read. It's a little cartoon representing Liberals and Conservatives with Carmen and Winslow. It's kind of hard to make politics turn into a funny way but Stantis does his best to make society funny

As the American mainstream tilts gradually right, Prickly City takes its place as a humorous voice for the masses. Creator Scott Stantis' first collection captures the issues and arguments of the George W. Bush political era era from the viewpoint of a little girl and a cute coyote. Never shy about commenting on sensitive and controversial political and social events, Prickly City is timely and humorous. This collection of the conservative strip draws from today's political current and gives readers plenty of reasons to laugh. Carmen, a straightforward, sensible kid, and her unlikely

best friend, Winslow the innocent coyote pup, frolic and tussle in the American Southwest while discussing hot-button issues such as condoms in schools, violent video games, gay marriage, and highly contested presidential campaigns. As Carmen might say, ""We may not be correct but we will always be right."" Prickly City creator Scott Stantis has emerged as an up-and-coming conservative social and political voice.
