imagined retelling rather than excerpts. It's not bad but I guess I felt some of the other PP books made me over expect. Still, a tip of the bonnet to the author! 0 of 0 people found the following review helpful. An Homage to a Great Classic By Kathy A This is a sweet salute to Jane Austen's novel but it's not "Pride and Prejudice and Zombies" with cats. The story is told with cats as the beloved characters in one half of the chapter and text from the novel to support the feline fiction in the second. The novel is sprinkled with photographs of cats, illustrating the action of the plot and reminding the reader this is all tongue in cheek. I enjoyed the read although I feel the the modern authors couldn't hold a candle to the quality of Jane Austen's prose; however, if you like Austen and you like cats, you'll probably like this novel. 9 of 9 people found the following review helpful. Couldn't put it down By AlwaysReadingLove Jane Austen? Love cats? Love to laugh? Then you will adore this book. *Pride and Prejudice and Kitties: A Cat Lover's Romp* through Jane Austen's Classic. Pamela Jane and Deborah Guyol are masters at mixing and matching adorable cat photos (some of the scenes actually shot in Jane Austen's house by photographer Sally Keehn) with funny quotes and adorable puns. Beloved characters appear with catly characteristics and familiar Austen phrases as repeated by cats, take on new meaning. Kay Winters

What if Jane Austen's *Pride and Prejudice* was told from a cat's point of view? On the heels of smash hits like *Pride and Prejudice and Zombies* and *I Can Has Cheezburger*, this hilarious mash-up by children's author Pamela Jane and photographer Deborah Guyol spins a fresh, quirky take on two of the things we just can't get enough of: classic cats and classic Jane. *Pride and Prejudice and Kitties* juxtaposes wacky photos of cats with the wicked humor of Jane Austen, and it's just in time for the 200-year anniversary of the publication of the original *Pride and Prejudice*. Soulful Mr. Darcy gazes at Elizabeth Bennet in fascination; hysterical Mrs. Bennet yowls that no one understands her; somnolent Mr. Hurst passes out on the sofa after dinner; arrogant Lady Catherine hisses at Elizabeth. Each photo includes a hilarious caption that goes along with the text of *Pride and Prejudice*, told from a feline perspective. *Pride and Prejudice and Kitties* is a book for cat-lovers, Austen-lovers, and people who love to laugh—in other words, just about everyone. The adorable meets the absurd!

"I was hooked at the first line: 'Netherfield Park is marked at last!' A unique, cleverly written, and utterly hysterical retelling of *Pride and Prejudice*...Miss Austen would approve!" --Sharon Lathan, best-selling author of *Mr. and Mrs. Fitzwilliam Darcy: Two Shall Become One*.
